PhycoTerra®

WARRANTY DISCLAIMER Manufacturer and seller warrants only that this product conforms to the product description on this label. Manufacturer and seller make no other representation or warranty or guarantee, whether express or implied, or by usage or trade, statutory or otherwise, disclaims any warranty of fitness for a particular purpose or merchantability, or eligibility of the product for any particular trade usage. Manufacturer and seller do not authorize any agent or representative to make any such warranty or guarantee to the extent permitted by law.

LIMITATION OF LIABILITY To the extent consistent with applicable law, in no event shall manufacturer or seller be liable for special, incidental or consequential damages, or for damages in their nature or penalties relating to the goods sold, including use, application, handling, and disposal. To the extent consistent with applicable law, manufacturer and seller shall not be liable to buyer or user by way of indemnification to buyer or to customers of buyer, if any, or for any damages or sums of money, claims or demands whatsoever, resulting from or by reason of, or rising out of the misuse, or failure to follow label warnings or directions for use, of the goods sold by manufacturer or seller to buyer. All such risks shall be assumed by the buyer, user, or its customers. To the extent consistent with applicable law, buyer's or user's exclusive remedy, and manufacturer's or seller's total liability shall be for damages not exceeding the cost of the product. If you do not agree with or do not accept any of the directions for use, the warranty disclaimers, or limitations on liability, do not use the product, and return it unopened to the seller, and the purchase price will be refunded.

PhycoTerra®

SOIL MICROBE FOOD

PhycoTerra® is a proprietary whole-cell pasteurized liquid product containing algal-based solids produced from microalgae. PhycoTerra® provides microbe food to the soil.

CONTAINS NONPLANT FOOD INGREDIENTS

10.0% ..... Algae (microbe food)
90.0% ..... Inert Ingredient

NET VOLUME
250 Gallons (946 Liters) @ 68°F
DENSITY
8.51 lbs/Gallon (1.02 kg/Liter) @ 68°F

PhycoTerra® is a natural product that is helping crop advisers and growers everywhere produce exceptional crops.

PhycoTerra® is a whole cell, pasteurized, microalgae-based product that is delivering solid value to conventional growers.

It is applied cost effectively by multiple ground application methods.

MIX OR AGITATE THOROUGHLY BEFORE USE
See below for instructions

APPLICATION TYPE: *Soil Applied*

RATE: *1 pint to 1 gallon per acre per application in a minimum of 5 gallons of finished solution.*

GENERAL RECOMMENDATIONS: *Apply at planting in seed furrow, T-banded, direct spray to seedbed, bare root dip or transplant drench. After planting apply to soil by methods such as drip irrigation, in furrow, side dress or direct spray onto beds.*

TIMING: *Soil or bare root applied at planting followed by subsequent applications at intervals of 2-4 weeks as needed for soil conditioning, and overall improved plant vigor and maximized crop potential.*

Directions for Use: PhycoTerra® fully mixes in water and is suitable for use in liquid soil applied and irrigation applications. Application at planting can be in the seed furrow, T-banded, sprayed onto seedbed, or as a bare root or transplant drench. After planting, PhycoTerra® can be applied via drip irrigation, sidedress, in furrow, direct bed spray application, or other methods which effectively apply PhycoTerra® to the soil. PhycoTerra® needs to be mixed or agitated to ensure full suspension of product prior to measuring and adding the product to the application mix. Supply tanks and spray tanks should have agitation. In outdoor applications, it is recommended to apply in early morning or late afternoon when temperatures will stay below 85°F (30°C).

MIX OR AGITATE THOROUGHLY BEFORE USE.

STORAGE RECOMMENDATIONS

For best results, it is recommended to keep this product in its original packaging until use and then used in its entirety after opening. For multiple use, the container should be sealed properly after each use and stored in a dry cool place. Avoid spillage as product may create a slip hazard.

PRECAUTIONS FOR USE

KEEP OUT OF REACH OF CHILDREN

FIRST AID

Ingestion: Rinse mouth thoroughly. Do not put any object in the mouth of an unconscious person. In case of any symptoms of poisoning, take the patient to the doctor and show the label.

Contact with the skin: Wash with plenty of water and soap.

Eye Contact: Flush eyes with plenty of water for 15 minutes.

Use shake method for 2.5g jug

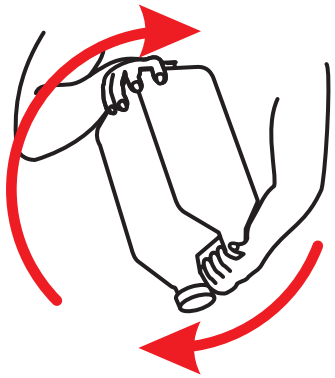
PhycoTerra®

SHAKE / AGITATE THOROUGHLY BEFORE USE

Tighten cap. Firmly holding the handle, flip the jug upside down. Keeping the handle as the pivot point, rock the jug back and forth for 15 seconds.

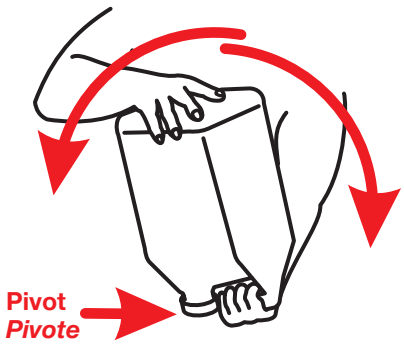
Remove protective seal and use accordingly. Fill the jug with water and cap. Once again use the 'flip and rock' motion above to rinse the jug of any remaining product.

Flip Upside Down



Voltear boca abajo

Rock 'Back & Forth'



Girelo boca abajo varias veces

AGITAR COMPLETAMENTE ANTES DE USAR

Para agitar: Sostenga el envase como muestra la figura, y girelo boca abajo varias veces durante 15 segundos.

Para enjuagar el envase, llenelo de agua, tapelo y repita el procesos de agitar, descrito arriba.
